PROFICIENCY

Work Experience

LEAD FRONTEND DEVELOPER | IMERA BUSINESS SOLUTIONS

September 2017 - Present

Frontend development of a hybrid mobile using Ionic Framework and Angular 4. Responsible for designing and implementing all frontend functionality. Cooperated with two other developers to design API functionality for the app. Made ample use of Angular, HTML, SASS/CSS, TypeScript/JavaScript and of Git.

JAVA PROGRAMMING TUTOR | CÉGEP GÉRALD-GODIN

January 2018 - Present

Tutoring students in their first year at Gérald Godin in Java Object-Oriented Programming. This experience will be a great opportunity to hone my communication skills and better master Object-Oriented Programming concepts.

DAY CAMP COUNSELOR | SPORTMAX

May 2017 - August 2017

Gained planning skills by building the new Star Wars themed day camp. Improved organizational skills by sourcing supplies over the course of the Summer and managing my assigned budget. Learned leadership and responsibility by being put in charge of a groups of 16 children ages 7-12.

Education

COMPUTER SCIENCE TECHNOLOGY | CÉGEP GÉRALD-GODIN

2016 - PRESENT

HIGH SCHOOL DIPLOMA | IB PROGRAM | DES SOURCES HIGH SCHOOL

2011 - 2016

Other Achievements and Activities

1ST PLACE PRIZE | CRÉÉ TA VILLE SCIENCE FAIR | TRAFFIC CONTROL DRONE

MAY 2015

Designed a proof of concept route plotting program. The algorithm used Google Maps to plot a course from street corner to street corner from point A to point B. The course could then be loaded onto the drone's Arduino controller and it could then complete the course.

SCOUTING | 122ND SCOUT GROUP | MARY QUEEN OF PEACE

2007 - PRESENT

Gained experience camping, learned to work in the outdoors and participated in volunteering. Scouting experience has therefore developed my work ethic, which I apply to all my endeavors.
